**KEEP OUT OF REACH OF CHILDREN**

## CAUTION

Part No. 1440-508 Rev. B

[www.mosquitomagnet.com](http://www.mosquitomagnet.com)

## Precautionary Statements

### Hazards to Humans and Domestic Animals.

**Caution:** Harmful if swallowed. Avoid contact of skin, eyes or mouth with the evaporation holes.

Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

## First Aid

### If swallowed

- Call poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by the poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

### If on skin or clothing

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

### If in eyes

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

### If inhaled

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

**Have the product container or label with you when calling a poison control center or doctor, or going for treatment.**

**Environmental Hazards:** Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

## Directions for Use

**It is a violation of federal law to use this product in a manner inconsistent with its labeling.**

**Replace cartridge every 21 days\*** (Note: After 21 days of use, cartridge appears the same; however, it will no longer be effective as the octenol will have been released.)

\*Based on release rate studies conducted at a constant ambient air temperature of 80° F for 21 days. Octenol release from this product will be more rapid at higher ambient air temperature.

### Storage & Disposal

Do not contaminate water, food or feed by storage and disposal.

**Storage:** Store unopened attractant cartridge in a cool, dry place. Discard outer plastic bag in trash.

**Disposal:** Do not reuse attractant cartridge. Dispose of used attractant cartridge in the trash.

# MOSQUITO MAGNET®

## Tube Style

### Step 1

Locate Mosquito Magnet® Octenol Biting Insect Attractant. Remove mosquito attractant packet from bag. Carefully peel back foil cover.

### Step 2

Locate the octenol carrier compartment inside the plume tube. Turn counter-clockwise about 1/8 turn. Remove end cap.

### Step 3

Place the open packet of mosquito attractant into the carrier compartment.

### Step 4

Replace end cap on carrier compartment. Be sure to align cap's "feet" with grooves inside carrier compartment. Secure cap by turning clockwise until it clicks (about 1/8 turn).
